

## BORROW A LICENSE

If you run a network license, to use SolidWorks when away from the network, you may borrow a license for up to 30 days. At the end of this period, the license will automatically reappear on the network.

1. Open your SolidNetWork License Manager from Start > All Programs > SolidWorks > SolidWorks Tools **OR** by typing “solidnetwork” into the search bar at Windows Start.

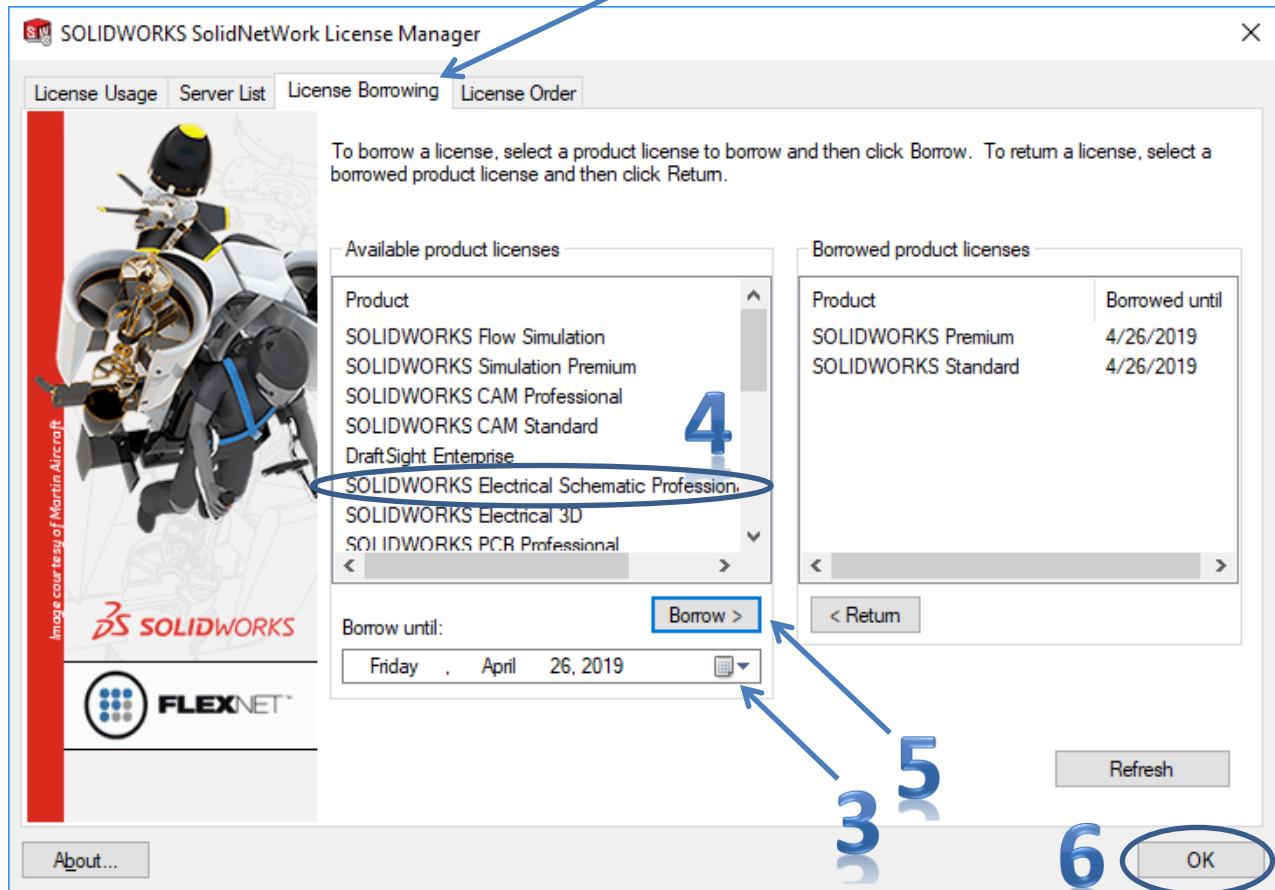

OR

2. Click on License borrowing tab (See screen shot below)
3. Choose the return date. – MAKE SURE you choose a day into the future, up to 30 days.
4. Choose the product you would like to borrow

5. Click Borrow

6. Click OK

7. Check that the license was actually borrowed by unplugging your Ethernet cable and disabling your wireless, then opening SolidWorks.
