Brandon W. Punch
PE Manager of Design
Century 3 Inc.

About Century 3 Inc....

Based in Greer, SC with operations in Europe, and Asia, Century 3 delivers value to its clients through consulting, engineering, procurement, construction management, self-perform construction, facility relocation and maintenance services for complex industrial and manufacturing facilities. Our size allows us to be flexible, responsive, and cost effective without sacrificing safety, quality, or schedule of our client’s projects.

“TPM has been instrumental in helping Century 3 Engineering align our design tools and technologies with the company growth strategies. With their assistance, we are well prepared to meet and exceed our clients’ needs as we build and enhance our design toolset with the modern 3D+ and automation requirements.” - Brandon W. Punch, PE, Manager of Design
