About Hinde Engineering....

Hinde Engineering, Inc. is a civil engineering firm specializing in utility projects for the public sector. Hinde has developed a reputation for providing our clients with the highest level of service. We are committed to providing our clients with the most innovative and cost-efficient solutions to utility issues. Superior client communication is just one of the keys to our success. Hinde thrives on six basic principles: commitment, integrity, honesty, ethics, quality, and innovation.

Hinde has a detailed approach to utility design and coordination from initial client contact through the final submittal of plans. This process ensures that the client is getting the highest quality of service possible. Hinde staff members have extensive experience in utility construction projects, coordination of utility relocations, utility conflict resolution, contract administration, and construction observation.

Hinde is classified as a Small Business Enterprise (SBE) with the City of Charlotte and was recently awarded the “2018 Outstanding Achievement in Professional Services” by the City of Charlotte and was previously awarded the “2012 Crowns of Enterprise Small Business Enterprise of the Year” by the City of Charlotte and Mecklenburg County. Hinde is also a certified Small Professional Services Firm (SPSF) with North Carolina.

“We have partnered with TPM for over 12 years and their service and responsiveness is unparalleled. We rely on TPM for a wide variety of products and services and they are always willing to help in any way they can. They provide honest and trustworthy advice and service in an extremely timely manner.”
